"Oggu Katha" - news - newspapers - books - scholar - JSTOR (June 2007) (Learn how and when to remove this template message) Oggu Katha or OgguKatha is a traditional folkore singing, praising and narrating the stories of Hindu gods Mallana, Beerappa and Yellamma.[1] It originated among the Kuruba (Kuruba)and Yadava communities, who devoted themselves to the singing of ballads in praise of Lord Shiva (also called Mallikarjuna).[2] These tradition-loving and ritual-performing community moves from place to place, narrating the stories of their caste gods. Oggus are the traditional priests of the Yadavas and perform the marriage of Mallanna with Bhramaramba. Etymology The story narrated about Lord Mallanna or Mallikarjuna Swamy using the instrument "Jaggu"(damarukam) is known as Oggu Katha. Used at the beginning of each story and also at the marriage festival of Lord Mallanna. Founder of Oggu kathalu was Sri. Vallam Pedda Veeraiah which was continued by his son Vishwa Vikyatha Oggu Katha Sarva Bhoumulu Vallam Sathaiah. The stories, scripts, dialogues and lyrics on Kommaravelli Mallanna, Yellama Devi, Nalla Pochamma Devi were all developed by Vallam Sathaiah.[citation needed] This tradition was carried forward by the successors of Vallam Sathaiah Sons Vallam Veeresham Yadav and Vallam Mahesh Yadav. They made Oggu Kathalu famous through many Stage shows, TV and Radio programs. Vallam Sathaiah taught many students the complete concepts of Oggu Katha. It is because of this knowledge sharing, Oggu Katha has been spread to various parts of the country. Vallam Veeresham Yadav is the founder of AP "Oggu Pujarula Sangham" which is based in Hyderabad providing a respectable living to many families. Inspired by his elder brother, Vallam Mahesh Yadav laid foundation to the Telangana Oggu Pujarula Sangham and is very famous for his Dolu vaidyam.[citation needed] The popular names in Oggu katha artists are Chukka Sattaiah [3] made oggu katha famous worldwide. [4] Chukka Sattaiah famous for Beerappa oggu katha, mallanna oggu katha, sri mandatha oggu katha with his melodious voice which attracts the Telangana people. Midde Ramulu very famous in TV shows and his well-known oggu katha kalakarulu. Many more oggu katha artists like Tarala Jangaiah, Avula Muthyalu, Erra Mallesh, Sanak Ballappa, Srisalain yadav, Mallesh yadav, Tarala Babu, Nagesh yadav, Sidappa, Krishna, Kunta Beeraiiah, Kunta Cheralu, gajjala bugaiaiah, lolli raju etc..took the oggu kathalu to heights. Telangana government is focusing on Propagating the culture of Oggu Katha.[5] The group The Oggu performers narrate the stories of Mallanna and Beerappa and Shakti ballads, of Yellamma. These ballads are in 'manjari wipada', containing lyrical prose, recited with great oratorical and rhetorical nuances. The team consists of four to six members. The main narrator, an assisting narrator, and at least two instrumentalists - one playing on a big drum called 'rana bheri' and the other on brass talas of a big size. Another member plays on a kanjira and the sixth one sings along with the narrator and also plays a napheera, a wind instrument, used at times of martial valor. The performance Oggu katha artists perform Kalyanam (marriage) of Lord Mallikarjuna Swamy with his wife's Lord Golla Kethamma and Medalamma. The narrate the stories of Lord Mallana and his sister Lord Yellama Devi. Instruments used like Jaggu (damarukam), Dolu and Thalam. The narrator and his chorus i.e. two narrators-help in dramatizing the narration as very often, they transform themselves into two characters. The dramatization of the narrative is what gives the Oggu Katha its predominant place especially in Telangana, where Oggu Katha prevalent. They singers (oggu katha artists) and devotees visit the pilgrimage place Kommaravelli Mallanna Temple every year which is located on a hill called Indrakeeladri in Komuravelli village, located in Warangal District, of Telangana state, India. A large number of devotees visit the Mallanna temple during Maha Shivaratri when the Pedda Patnam is celebrated and also during the Agni Gundaalu which is celebrated on the Sunday falling before the Ugadi. All devotees can be seen with turmeric on their foreheads. The festive season, called as Jatara begins from Sankranti and lasts till Ugadi. Large number of devotees offer prayers to the deity on all Sundays which fall in between Sankranti to Ugadi. Dress The chief narrator wears a big pant tied up to the knees, a colored shirt, a colored head cloth, a colored waistcloth, and ankle bells. The other narrator also will have the same dress. More than the costume, the ornaments they have to wear are traditionally considered more important. The main narrator will have a chain made of seven shells called 'gavala darshanam'. There is a legend regarding this chain of shells. It was said that seven brothers of Bhramaramba (Mallanna's consort) fought with him at the time of her wedding. Mallanna defeated them and cursed them to be dogs. When Bhramaramba entreated the Lord to save them from the curse, he granted them by asking them to be Oggus and narrate his stories. The seven shells symbolize the seven brothers and are given a prominent place while narrating the story. In addition, they will wear five silver rings and five silver chains (jogirly), a wrist band (ponchi), thick silver rings (kadiyam) around the neck, to the right wrist and to the upper arm, a three - layered garland made of pagadam (sapphire) and round silver nooses (tavalam), ande and matte to the fingers of the foot and a garland with Mallana's portrait on it (ambarala golusu). During the course of action, he also wears a stick, which serves also as a sword or the chains of a horse. Oggus Katha allows tremendous scope for dramatization. In the hands of an able narrator, it becomes a very inspiring one, because of the innumerable improvisations introduced, along with the traditional way of rendering the story.
